

CHANTILLY LACE OKANAGAN VALLEY BC VQA

Retro-cool paintings by artist Ralph Burch impeccably give life to the fun and seductive Pin-Up Series. The mischievous labels surround quality wine, from the 100% woman-owned and run Nostalgia Wines in Oliver, BC.

VINTAGE

Fruit was picked in the 2020 vintage. The low yields and excellent fruit quality resulted in an exceptional vintage. The wines have intense flavour profiles, higher acid and moderate alcohol levels. These attributes are excellent for pairing with food.

WINEMAKING

Frizzante sparkling method.

TASTING NOTES

Cindy Lou's sparkling giggle creates delight wherever she goes. When this plucky little gal bounces in, her sprightly personality captures the entire room's attention. Her refreshing, semi-sweet flavours of crisp white peach, pear, tropical mango and pineapple create just the right tone to bring joy to any celebration ... including brunch!

FOOD PAIRING

Start the day right with waffles, peaches, whipped cream and a glass of Chantilly Lace. Her sweetness makes her lovely alongside spicy appetizers or mains. She's a hit with angel food cake with berries, too!
